

FOSTER GRANDPARENT SUMMER READING PROGRAM

Once again, the Foster Grandparent Program is offering a Summer Reading Program. One-to-one remedial reading assistance is given to children who are currently reading below grade level. Children in need of a supportive adult relationship, regardless of reading level, will also be accepted. The minimum age accepted is children who have completed Kindergarten. The Foster Grandparents involved are volunteers who have served in similar capacities in various school districts around Lenawee County. They have not been trained to diagnose or correct extreme reading problems, but have been trained to use the Metra Tutoring Program and other reading techniques comprising the Reading Program.
